PURELY VEGETABLE. containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Drowsiness; Nervousness and Irritability; Loss of Memory; a painful sensation of having failed to do some mental work; to have been drowsy; Debility; Low Spirits; a thick yellow appearance of the Skin and Eyes; a dry Cough often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the LIVER is generally the seat of the disease, and if not regulated in time, great suffering, weakness and DEATH will ensue.

The following highly esteemed persons attest to the virtues of Simmons' Liver Regulator: Gen. W. S. Holt, Pres. Geo. S. W. R. Co.; Rev. J. R. Feller, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. M. Mendenhall, Esq., Sheriff Bibb Co., Ga.; Hon. Alexander H. Stephens.

"We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache it is the best medicine the world ever saw. We tried forty other remedies before Simmons' Liver Regulator, but none gave us more than temporary relief; but the Regulator not only relieved, but cured us."—ED. MAINE ELECTION.

Pine Tree State Keeps Its Republican Reputation.

[Associated Press.]

Augusta, Me., Sept. 15.—Maine has followed the example of Vermont and declared for the Republican ticket by the largest majority in her history.

According to the latest returns tonight the plurality of Powers (Rep.) for Governor will be over 45,000 and probably in the neighborhood of 50,000. Chairman Hain, of the Democratic State committee, concedes that the majority will exceed 40,000.

Hon. T. B. Reed is re-elected to the House by over 10,000 plurality.

The returns show a majority of about 12,000 for Mr. Dingley for Congress in the Second district over 12,000 for Mr. Milliken in the Third district, and practically the same for Mr. Boutelle in the Fourth district.

In the State Legislature the Democrats will apparently have less than half a dozen members in the House and not one in the Senate.

As was anticipated the Republicans polled a tremendous vote and secured many Democrats. Many democrats remained at home and only a few voted for the nominee of the gold standard wing. The Populists and Prohibition votes have been received from only a few towns, but it is asserted neither party polled as large a vote as two years ago.

HILL INDIGNANT.

Says Gold Papers Omitted Part of His Telegram.

Albany, N. Y., Sept. 13.—Senator Hill is indignant over the treatment of his telegram to Chairman Chase of this city declining to serve as a delegate to the Buffalo convention under instructions by the press of New York City. It appears that some of the papers omitted a phrase from the dispatch which Senator Hill considers to have been of the greatest importance. In his telegram to Chairman Chase, the Senator, referring to the instructions, says:

"This action was taken in opposition to my wishes and judgment as expressed to you yesterday, and I decline to accept the election upon the condition or upon any condition which would restrict my freedom at Buffalo to act in such manner as I consider best for the interest of my party."

The golfing papers omitted the phrase, "or upon any condition," and announced under big headlines that Senator Hill had practically bolted the ticket.

The Senator called attention to the omission to-day and expressed great indignation at this evident attempt to misrepresent his position. It is believed here that Senator Hill is for the Chicago ticket and platform.

Another Populist Convention in Nebraska Not Probable.

Washington, Sept. 15.—Secretary Edgerton of the Populist National Committee read a story this morning to the effect that there is talk of calling another Populist convention in Nebraska, his State, for the purpose of putting out a Bryan and Watson electoral ticket. He said:

"I do not believe this report, for the reason that Watson has now been given half of the electors in that State. Neither do I believe that Watson would advise such a course. If such a convention should be called, it will not be recognized by this committee."

"I have had nothing whatever to do with appointing dates for Mr. Watson in Kansas and Nebraska. They were sent out from Atlanta. I had understood all the time that he did not wish to leave Georgia until after the State election."

The Secretary said further: "I don't think that this movement, either in Kansas or Nebraska, will assume proportions of importance, but that matters can be amicably adjusted in both States."

NO FUSION WITH REPUBLICANS.

Senator Butler's Telegram to the Texas Chairman.

Washington, Sept. 13.—The announcement that Senator Butler, chairman of the Populist National Committee, had prevented fusion between the Republicans and Populists on the electoral ticket in Texas created no surprise in political circles in Washington. Senator Butler was not at Populist headquarters to night, but his associates confirmed the report that he had wired to the chairman of the Texas State Populist Committee that fusion would not be tolerated. The Senator is also quoted as saying that fusion between the Populists and Republicans on the electoral ticket would not be effected in any State, and that such a course would be suicidal for the Populist State organization attempting it.

SPAIN YIELDS TO UNCLE SAM.

The Competitor Prisoners Will Have a Civil Trial.

New York, Sept. 15.—A special to the Herald from Washington says:

The Spanish government has yielded to the demands of the United States for a trial by civil court of the Competitor

prisoners. Authentic information to this effect has reached the State Department unofficially, and the formal announcement is expected in the next mail from Minister Taylor in Madrid. The government reached this conclusion some time ago, but has delayed the formal announcement of its decision until after the Cortes adjourns, in order to escape criticism from that body for making concessions to the United States.

While expecting this decision, the authorities have become very impatient of late over the long delay on the part of the Spanish ministry in complying with the demands for a fair trial of the Competitor prisoners, who have been in prison under a death sentence, imposed by a court martial, for nearly five months.

Petitions have been pouring in on the State Department from all quarters urging prompt action in behalf of these men. Despairing of favorable action on the request for a civil trial, some of these petitioners urge that an appeal be made to the Spanish ministry for the pardon of the men.

The department has no intention of asking for a pardon. Secretary Olney has insisted from the first that the men were irregularly tried, and in violation of express treaty stipulations. He requested a retrial, not by way of favor, but as a matter of right, and in answer to inquiries from members of the Senate committee on foreign relations, he emphatically stated that the administration would never submit to the carrying out of the sentence of the summary court martial.

It is a matter of considerable relief to the authorities here to know that Spain has found it expedient to comply with the demands of the United States in regard to these men. For some time past it has been considered one of the most troublesome questions in dispute between the two countries.
